SB 51 - Criminal Procedure - Reasonable Suspicion and Probable Cause -
Cannabis
FAVORABLE

Dear Chair Smith, Vice Chair Waldstreicher, and committee members,

My name is Beverly John. I have lived in Prince George's County, District 47 since 1998. I would like to express my support for Senate Bill 51.

Providing the police power to stop citizens or to search their vehicles based on a *real*, *perceived*, or *fabricated* smell of marijuana is inherently discriminatory and used to profile Black and Brown people disproportionately. We have gained ground in acknowledging the negative economic impact and harm to our communities caused by the Nixon era "war on drugs." Marylanders have voted to legalize adult use and possession of the substance and should be free to use the substance without fear of getting caught in this loophole. With legalized use of the substance, how can you continue to use the odor as justification to stop and search?

The passage of Senate Bill 51 would help decrease the racial profiling of Black and Brown Marylanders and help protect our Fourth Amendment rights. It is time to confront this "war on drugs" mentality that has destroyed so many communities and lives in our state.

As we look forward to legalization, this body must ensure that the smell, or perception of a smell, of a soon-to-be legal substance cannot be used to justify a stop and search of an individual or their vehicle.

For the foregoing reasons, I urge a favorable report on Senate Bill 51.

Thank you.
